C-HR 1.8 with optional TRD Sportivo Aerokit Package.

MAKE A STAND

FOR EXCEPTIONAL STYLING

It's the style that makes you stand out. Meticulously contoured with diamond-faceted influences throughout, the C-HR creates a strong impression with its distinctive coupe-style body and powerful facade.

You believe in yourself, and in making your journey in life matter.
You don't bow to pressure. You won't take NO for an answer. And you don't make compromises.
You acknowledge the power you have, and how you can use it to make a difference.
You want to lead the way.
And most of all, you want to be seen and heard.

It's time to **MAKE A STAND**.

BUMPER
GARNISH

BODY SIDE MouldING

SIDE MIRROR PUDDLE LIGHT
The LED Puddle Lamp projects the vehicle logo on the ground, when you unlock the vehicle or approach it with the Smart Key.

FRONT BUMPER GARNISH

FRONT & REAR FOG LAMPS

17-INCH ALLOY RIMS

REAR COMBINATION LAMPS
– LED TAIL AND STOP LAMPS

AUTO FOLD WING MIRRORS WITH
BUILT-IN TURN SIGNAL LAMPS

OVERALL DIAMOND DESIGN

You're a diamond, forever! The iconic diamond-influenced contours express sophistication and strength, giving this stylishly sporty, compact SUV its distinctive proportions. The brilliant aerodynamics go beyond styling – they also contribute significantly to the C-HR's stability and fuel economy.

SIDE VIEW

Imagine a powerful sense of speed, even while standing still. The C-HR's strong beltline and blacked out rocker panel are sleek and commanding, yet tasteful, while the unique hidden rear door handles enhance its 'sporty coupe' look.

AUTO BI-HALOGEN HEADLAMPS WITH FOLLOW-ME-HOME FUNCTION

Be the light for all to see, with the headlamps' clean, seamless design. The follow-me-home function keeps the lights on for approximately 30 seconds after the engine is switched off, so you can safely exit the vehicle.

LED DAYLIGHT RUNNING LAMPS (DRL)

The LED DRL employs reflective illumination as a creative method of light distribution, giving the C-HR an advanced, three-dimensional appearance.

OPTITRON METER WITH 4.2" COLOUR MULTI-INFORMATION DISPLAY (MID)

Having good vision is important. The high precision Optitron Meter is illuminated by a combination of bright white and blue lighting, so it is highly visible while having an advanced feel.

SEAMLESS AND EXPANSIVE DASHBOARD

The low, wide dashboard is multi-layered with soft padding, and integrates seamlessly with the door trims. Together with the silver ornamentation and piano-black panel, it has a pleasing texture and appearance.

DRIVER-CENTRIC SPACE

The Combination Meters and displays are angled toward you, so you can concentrate fully on driving.

G MONITOR

Want to know how many G's you're pulling? The G Monitor displays the G-force you're experiencing, especially during cornering. Certainly makes it more interesting to drive!

ICONIC DIAMONDS

Diamonds are your best friend. These distinctive, iconic diamond shapes and patterns have been playfully extended throughout the cabin, for an exclusive, stylish impression.

DISPLAY AUDIO WITH APPLE CARPLAY™ AND ANDROID AUTO™ CONNECTIVITY

Hear me out! This is how music should sound. The breathtaking Audio System comes with a 6.75" Capacitive Touch Screen, Smartphone connectivity*, iPod, Wi-Fi, Voice Recognition, USB, Bluetooth and a Reverse Camera.

*Functions available may vary, depending on smartphone.

BLACK LEATHER SEATS

The premium, luxurious interior is nothing less than you deserve. Set at the perfect height, it makes it easy to get in and out, and gives proper body and shoulder support during cornering. The power lumbar support also reduces lower back discomfort, especially during those long journeys.

MAKE A STAND

FOR EXCLUSIVE COMFORT

Inside this beautiful machine, the focus is you. The C-HR has been carefully crafted around you, and every part in the interior space flows seamlessly into the next.

60/40 REAR SEAT

Need more space? The rear seat is split in a 60:40 ratio and can be folded flat for extra cargo.

REAR SPACE

The C-HR offers more rear headroom to accommodate taller passengers, and the larger rear legroom can accommodate 3 passengers comfortably.

DUAL ZONE AUTOMATIC CLIMATE CONTROL

SMART ENTRY AND START SYSTEM

ELECTROCHROMIC REAR VIEW MIRROR

Even the nights are better. When a bright light from the rear is detected, the rear view mirror automatically darkens and helps to reduce the glare.

DIGITAL VIDEO RECORDER

(OPTIONAL FEATURE)

Records every detail of your journey, because your security matters more than anything.

SPACIOUS LUGGAGE ROOM

Let us accommodate your lifestyle needs. The generous luggage compartment can even fit your bags with ease.

ENGINE

It's what you asked for, only better. The C-HR's outstanding powerplant is optimised for superb driving performance and improved fuel efficiency. Accelerate your ride and feel the surge of excitement.

2ZR-FBE (1.8L)

Type	Total System Output	Maximum Torque
4-Cylinder, In-line, 16-Valve DOHC with Dual VVT-i	140PS@6,400rpm	171Nm@4,000rpm

DRIVE MODE (ECO/NORMAL/SPORT)

You can always select one of these 3 appealing drive modes. It all depends on your mood and driving preference.

SPORT

Feel like having a more exciting drive? Sharpen the throttle response in SPORT mode and take it away!

NORMAL

Suitable for everyday use. It offers the best balance between fuel efficiency and performance.

ECO

Want to maximise fuel efficiency? ECO mode optimises the air-conditioner cooling and reduces throttle response.

7-SPEED CONTINUOUSLY VARIABLE TRANSMISSION WITH SUPER ECT

Freely select gears with the Sequential Shift Lever upshift (+) and downshift (-) controls. Purrr with satisfaction at the smoothness of the C-HR's quick and responsive, yet manual-like, gear changes. Sit back and enjoy the truly optimal balance between performance and fuel efficiency.

MAKE A STAND

FOR INSPIRED PERFORMANCE

Performance is more than the numbers, it's about your smile after every successful turn and with every step of the pedal. It's about your emotions, and the C-HR stirs them unlike any other.

PARKING SENSORS (4 FRONT & 4 REAR)

7 AIRBAGS

Want better all-round protection for everyone?
We've got you covered with front driver and passenger airbags, side airbags, curtain airbags and a driver's knee airbag.

BLIND SPOT MONITOR (BSM)

We'll keep an eye out at your vehicle's natural blind spots. When you operate the turn signal on either side, an indicator light on the side mirror flashes if a vehicle is detected up to 60m behind.

TYRE PRESSURE MONITORING SYSTEM

Don't bow to (low) pressure! The system automatically senses and displays a warning light when tyre pressure decreases to 80% or less than the default pressure setting.

TNGA PLATFORM WITH DOUBLE WISHBONE REAR SUSPENSION

Now, this is what driving is all about. TNGA stands for **Toyota New Global Architecture**, the new platform for Toyota vehicles. In the driver's seat, your senses are awakened and you'll understand the true potential of a Toyota.

STABILITY

The safe, stronger body with a lower centre of gravity gives you stable, responsive handling.

AGILITY

The double wishbone rear suspension results in improved riding comfort and the agility to move as you please.

SAFETY

Your car takes care of you, as its strong body protects you. World-class security features leave you at ease, so you are able to simply enjoy the ride.

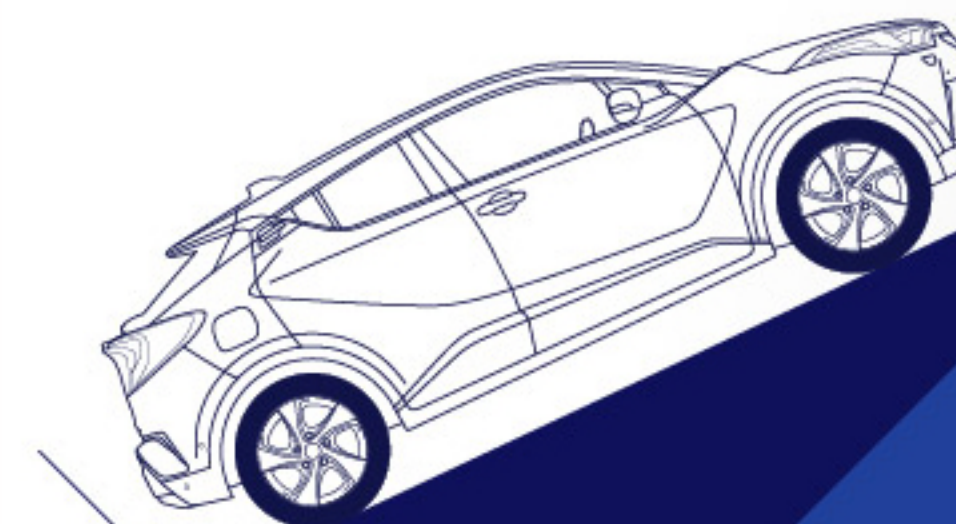

REAR CROSS TRAFFIC ALERT (RCTA)

When you're reversing out of a parking space, the RCTA detects vehicles approaching from the sides and alerts you. What are friends for!

HILL-START ASSIST CONTROL (HAC)

Don't back down! The HAC system helps to prevent the vehicle from rolling backwards, when starting off on a slope.

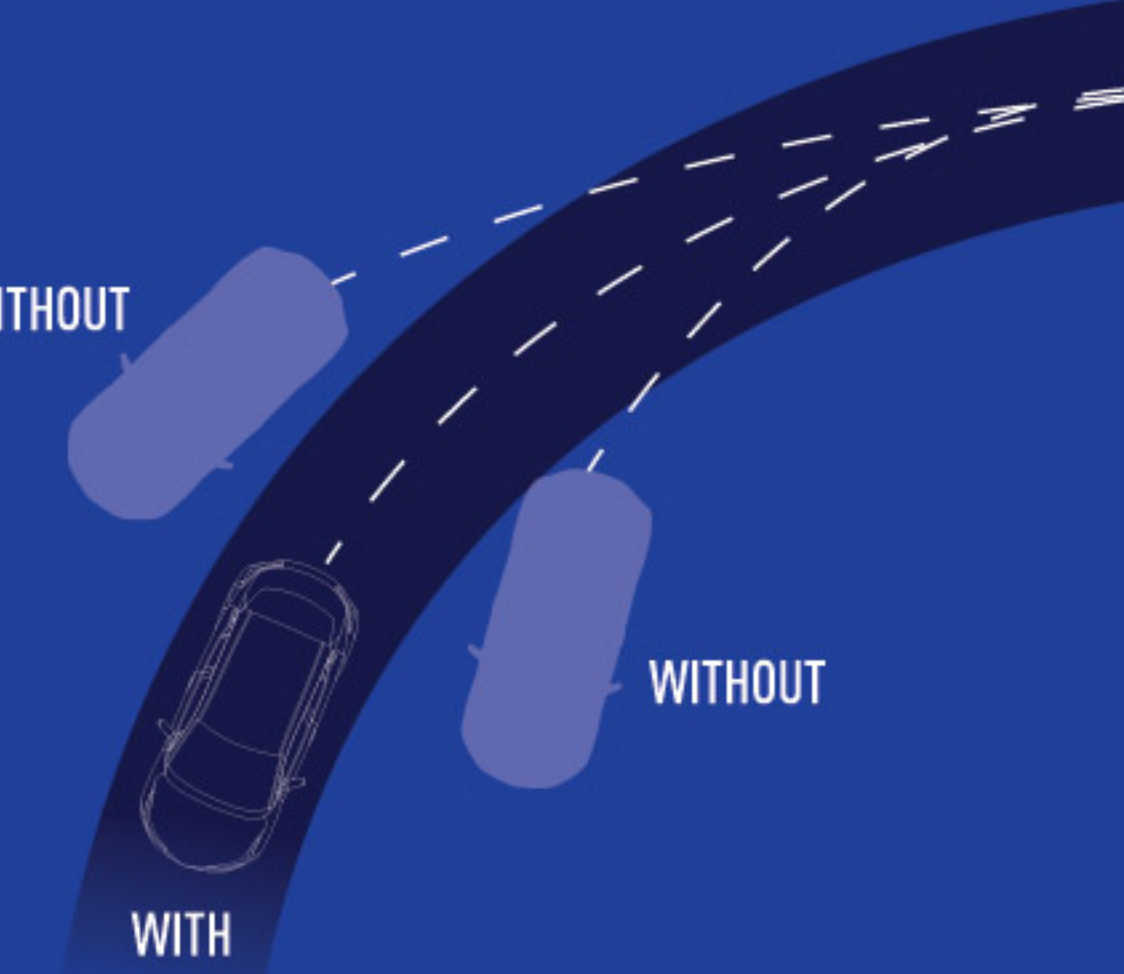

MAKE A STAND

FOR UNCOMPROMISING SAFETY

Yes, we've heard your demands for the highest levels of safety. Head out with faith and confidence in the C-HR's ability to keep you safe and secure.

WITHOUT

WITHOUT

WITH

ANTI-LOCK BRAKING SYSTEM (ABS), VEHICLE STABILITY CONTROL (VSC) AND TRACTION CONTROL (TRC)

ABS ensures vehicle stability when braking on slippery surfaces, or during emergency braking, by suppressing wheel lock.

VSC prevents the vehicle from spinning due to oversteering or understeering, by applying brakes to the wheels individually.

TRC helps your tyres to grip the road more securely when accelerating on slippery surfaces, by applying brakes to the wheels individually and controlling the engine output to prevent the vehicle from spinning.

MAKE A STAND

FOR PERSONAL CHOICE

Let us appeal to your unique tastes and desires. The C-HR comes in a range of distinctive colours, with something perfect for everyone.

EXTERIOR COLOUR OPTIONS

RADIANT GREEN METALLIC
WITH BLACK ROOF (2PY)
