Make Quality Time.

There is a different car for each kind of family.
And all of them have one name: the All-New Santa Fe.

Celebrate diversity.

Every family is different.
To build the perfect family car, you have to understand every single family like we do.
The All-New Santa Fe was built to fit all varieties of the modern family – no matter how it looks like.

Celebrate togetherness.

We know that nothing is more important than spending quality time with family and friends. That is why the All-New Santa Fe gives you the
comfort and freedom to enjoy those precious moments with your loved ones.
Anytime, anywhere.

Hyundai presents

Step into the perfect family car, a space for togetherness and a space that keeps you safe.
Discover the technology that gives you the quality time with the people you care most.

The perfect family car.

Family cars don't need to be boring.
A wide cascading chrome grille and 19-inch alloy wheels make for the SUV's new unique and bold design.
Composite lights also give the car a high-tech allure, ready for family adventures.

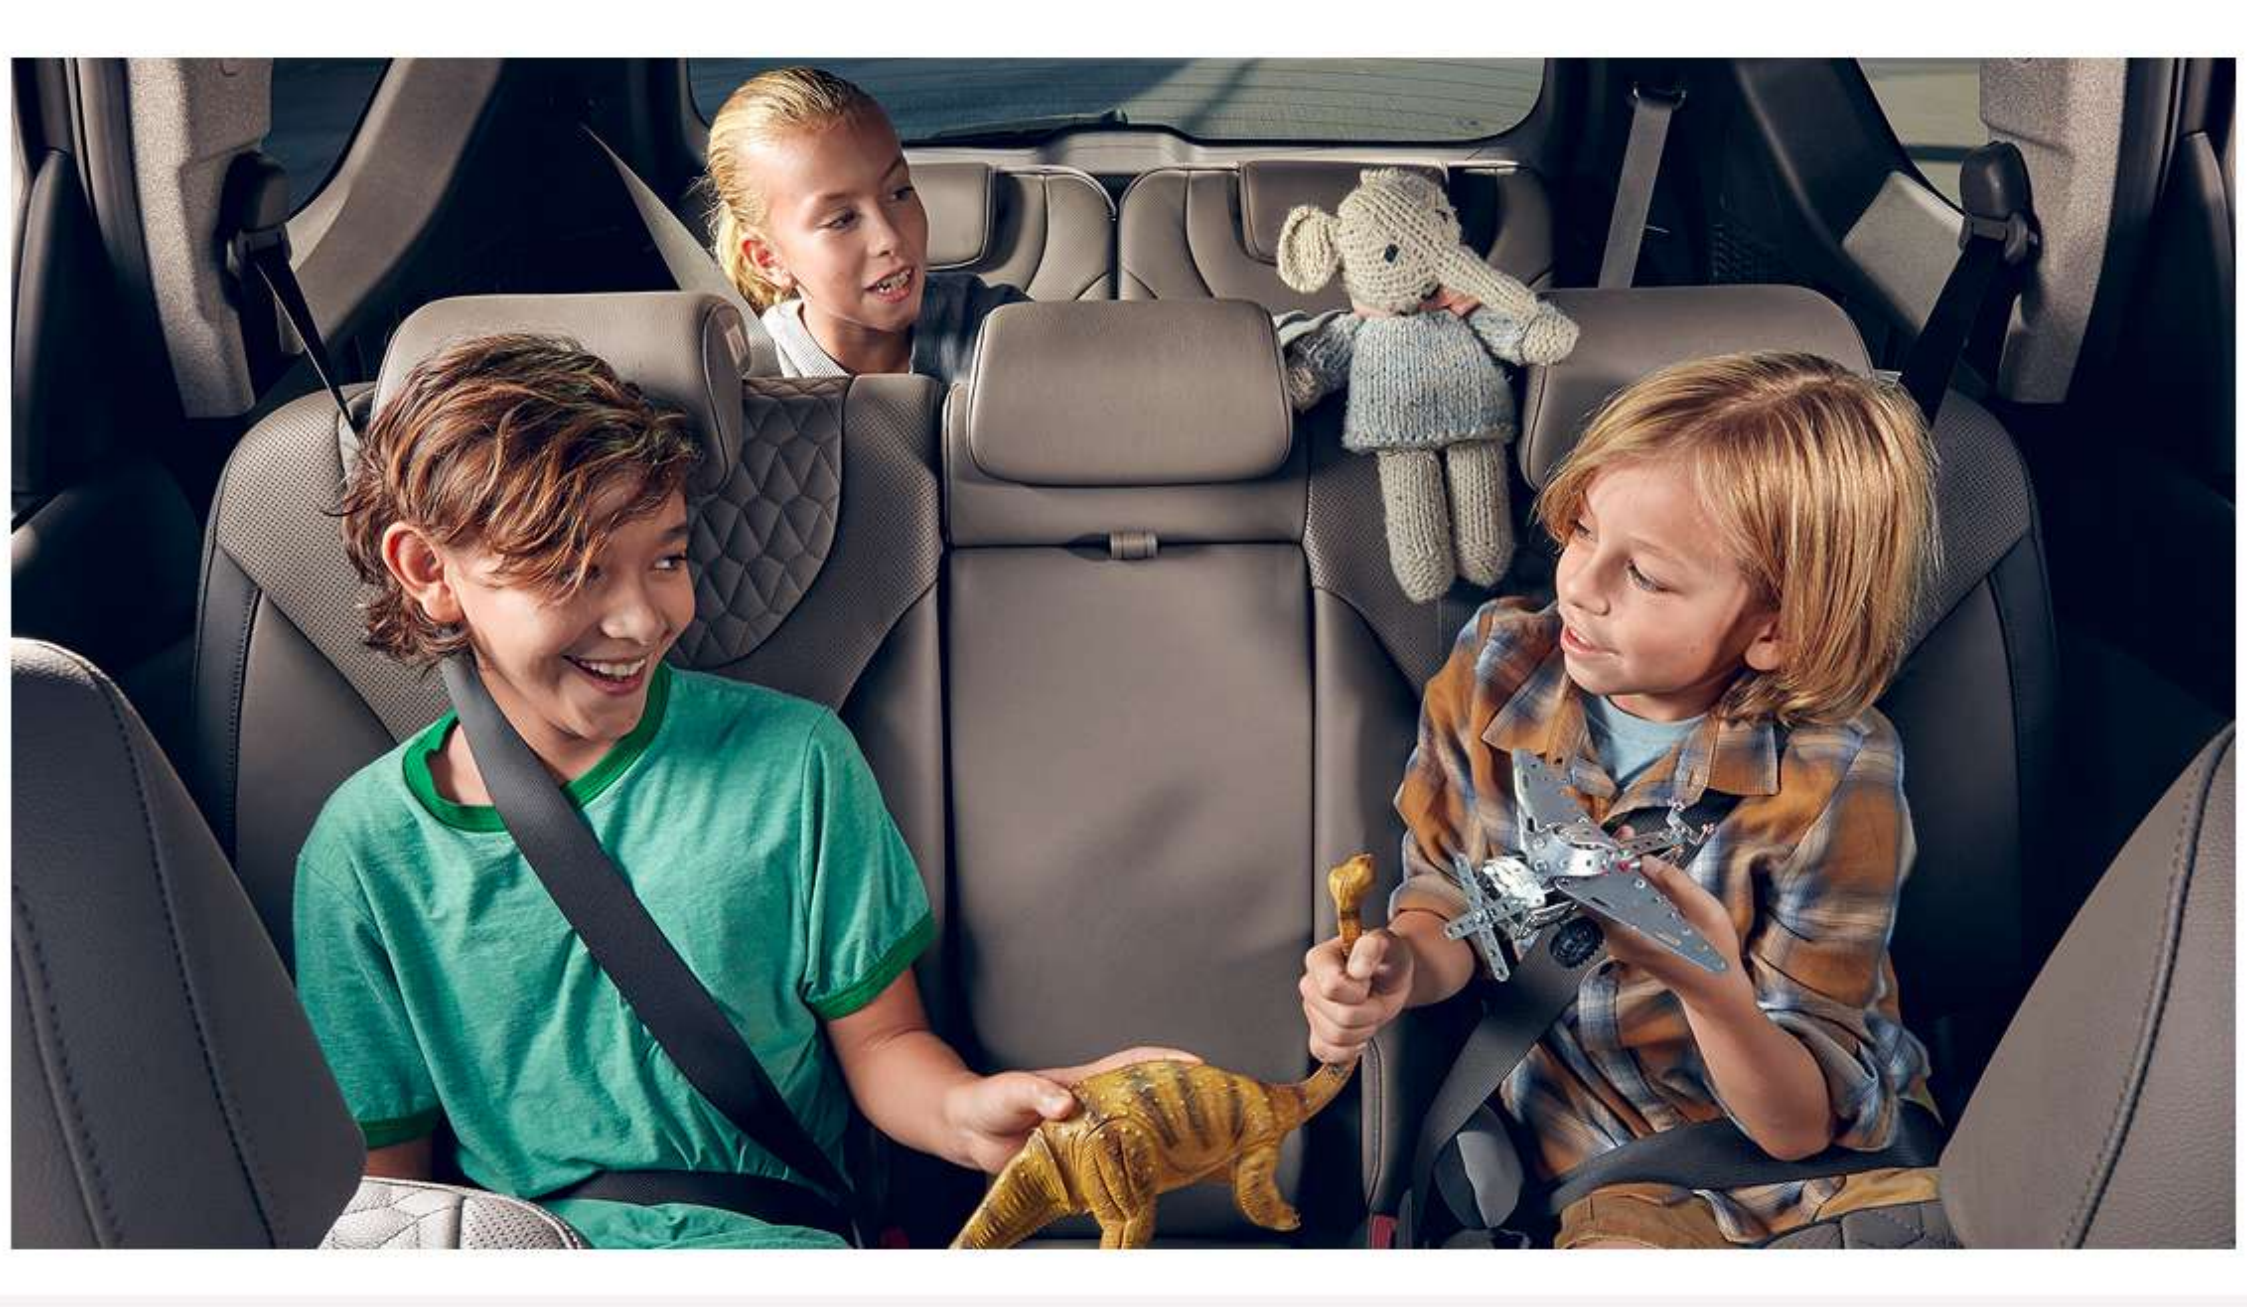
*Only available on the premium variant.

Load your life with quality time.

Roomy interiors with increased legroom and plenty of space in the trunk offer all the comfort you need for greater moments with your family.



Interior

Feel the interior atmosphere of Hyundai's next generation SUV.
The dashboard feels wide & open and provides maximum visibility with a floating type Audio Video Navigation. The ample interior space is complemented with refined and comfortable seats.

SEAT MATERIALS

Black One-tone

Seats & Trunk

No matter the size of your family, or whether you are into picnics, golfing or camping, the 7-passenger Santa Fe offers full flexibility with multiple seat configurations available.
There are multiple configurations possible to fit your needs. With the 2nd and 3rd row folded flat, there's plenty of cargo space to load up on quality time with.

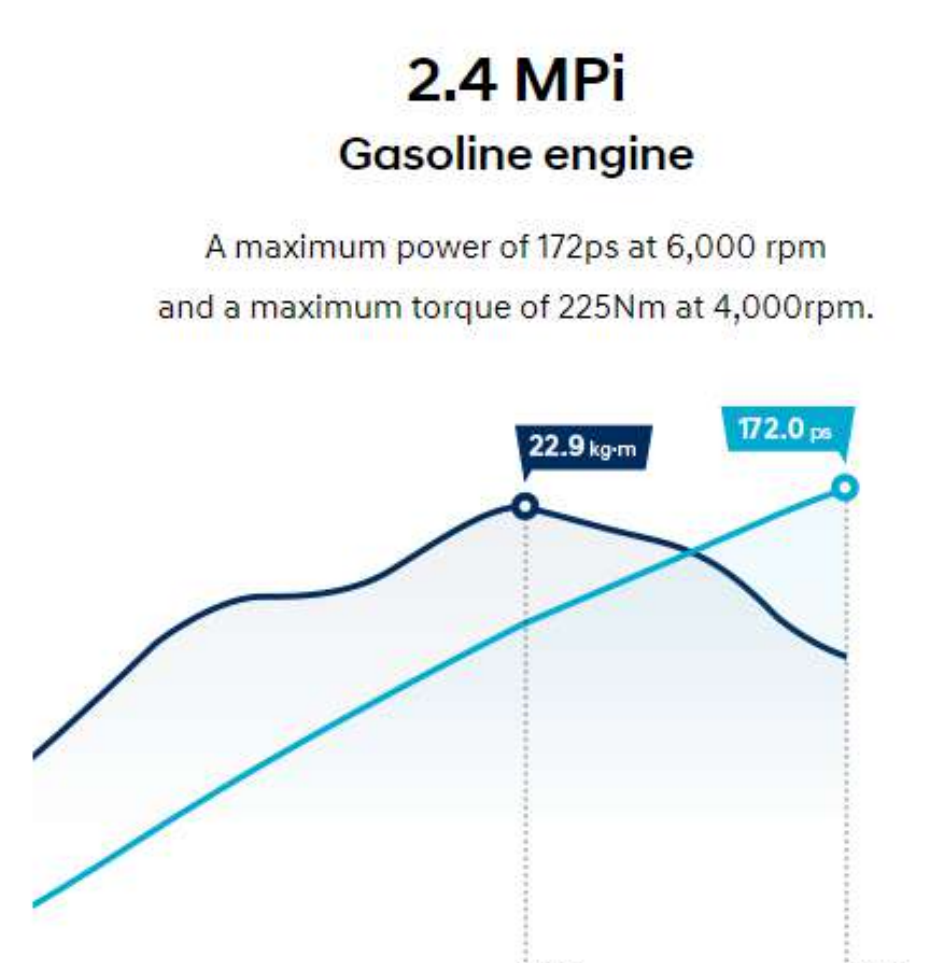
A family car,
with just as much energy.

To endure road trip after road trip, the Santa Fe comes in diesel or gasoline engines with 6 or 8-speed transmissions offering maximum fuel efficiency and durability.

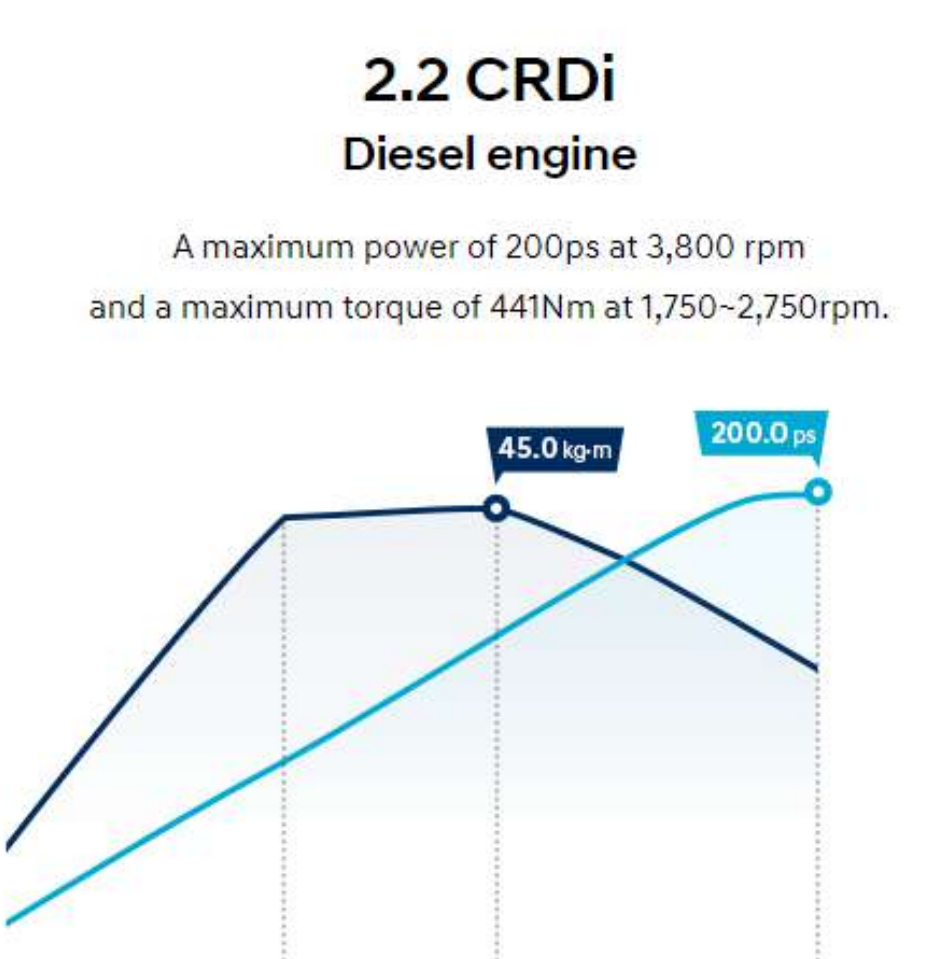
2.4 MPi
Gasoline engine

A maximum power of 172ps at 6,000 rpm and a maximum torque of 225Nm at 4,000rpm.



2.2 CRDi
Diesel engine

A maximum power of 200ps at 3,800 rpm and a maximum torque of 441Nm at 1,750~2,750rpm.



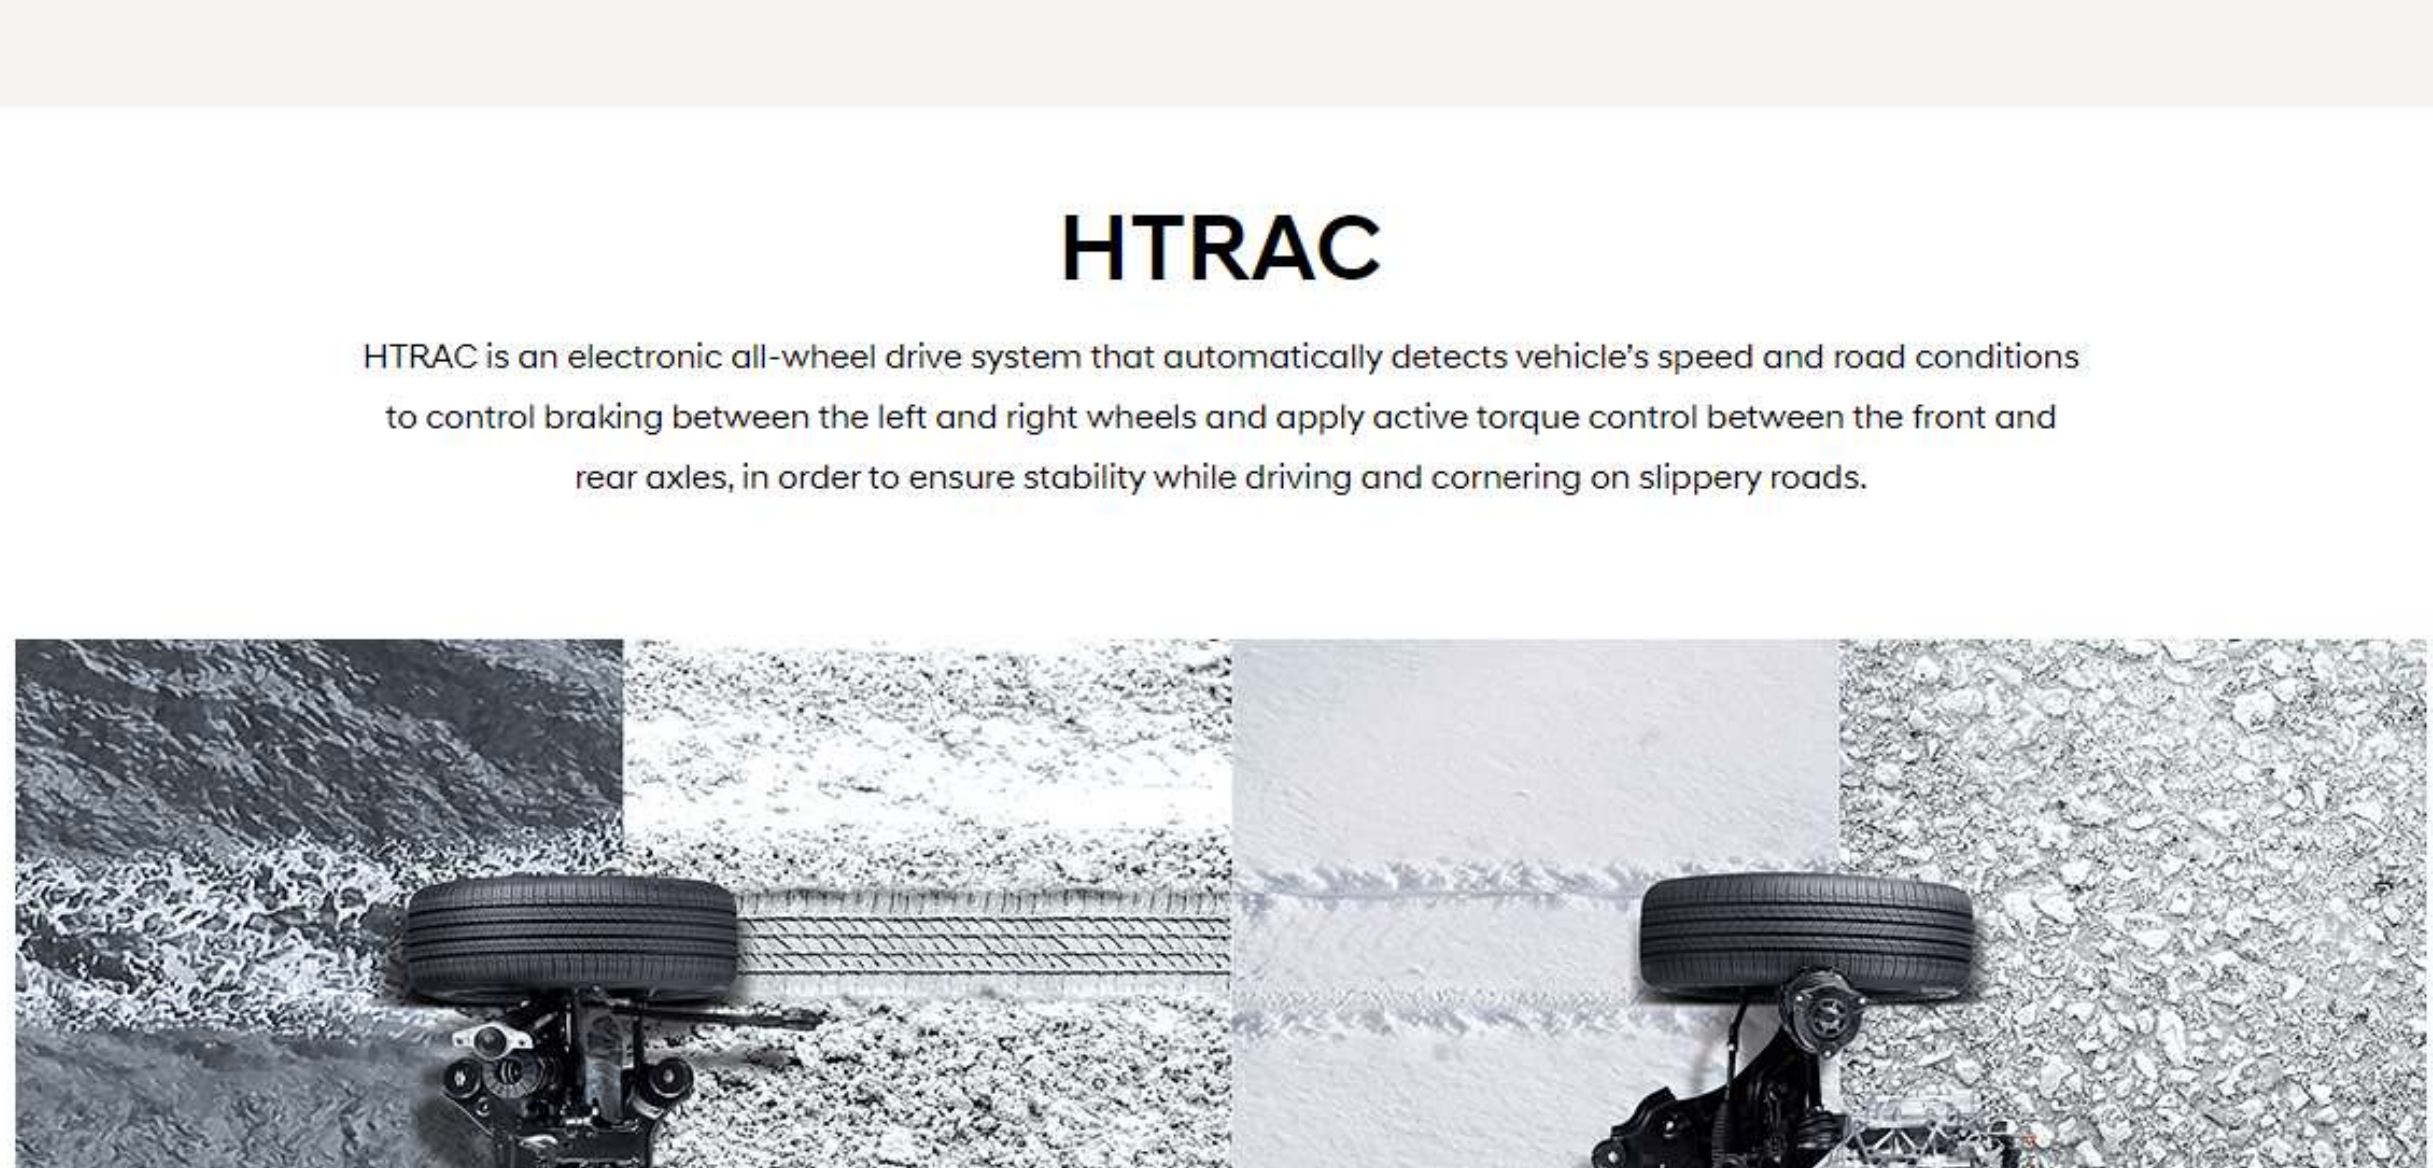
6 or 8-speed* auto transmission

1st ever 8 speed auto transmission in Hyundai SUV coupled with R 2.2 CRDi give a maximum power and excellent drive.

*Only available on the R 2.2 CRDi variant.

HTRAC

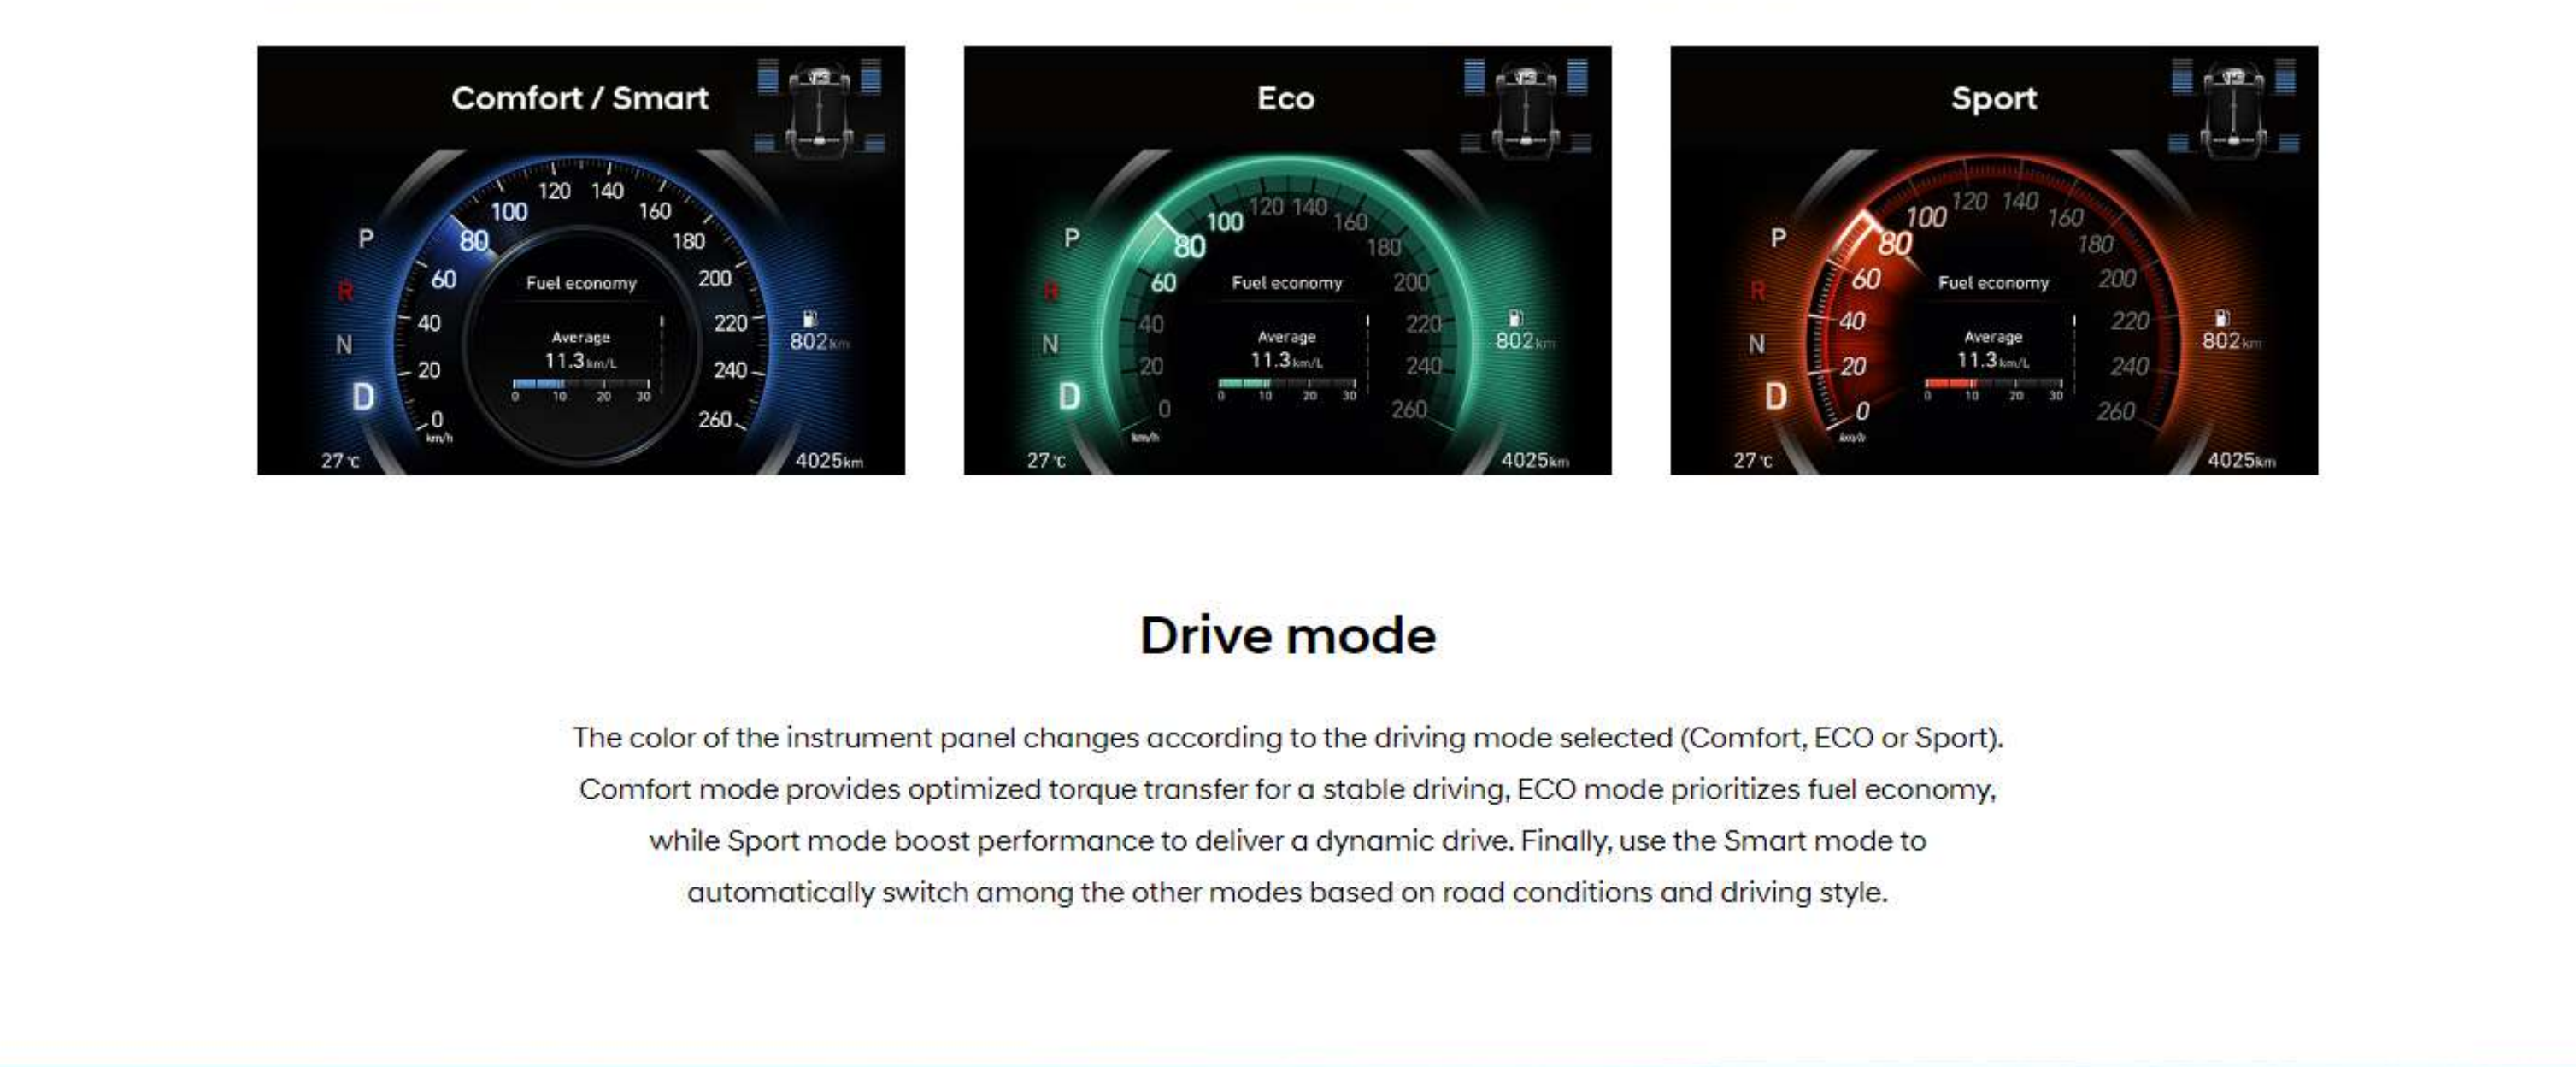
HTRAC is an electronic all-wheel drive system that automatically detects vehicle's speed and road conditions to control braking between the left and right wheels and apply active torque control between the front and rear axles, in order to ensure stability while driving and cornering on slippery roads.



Comfort / Smart
Eco
Sport

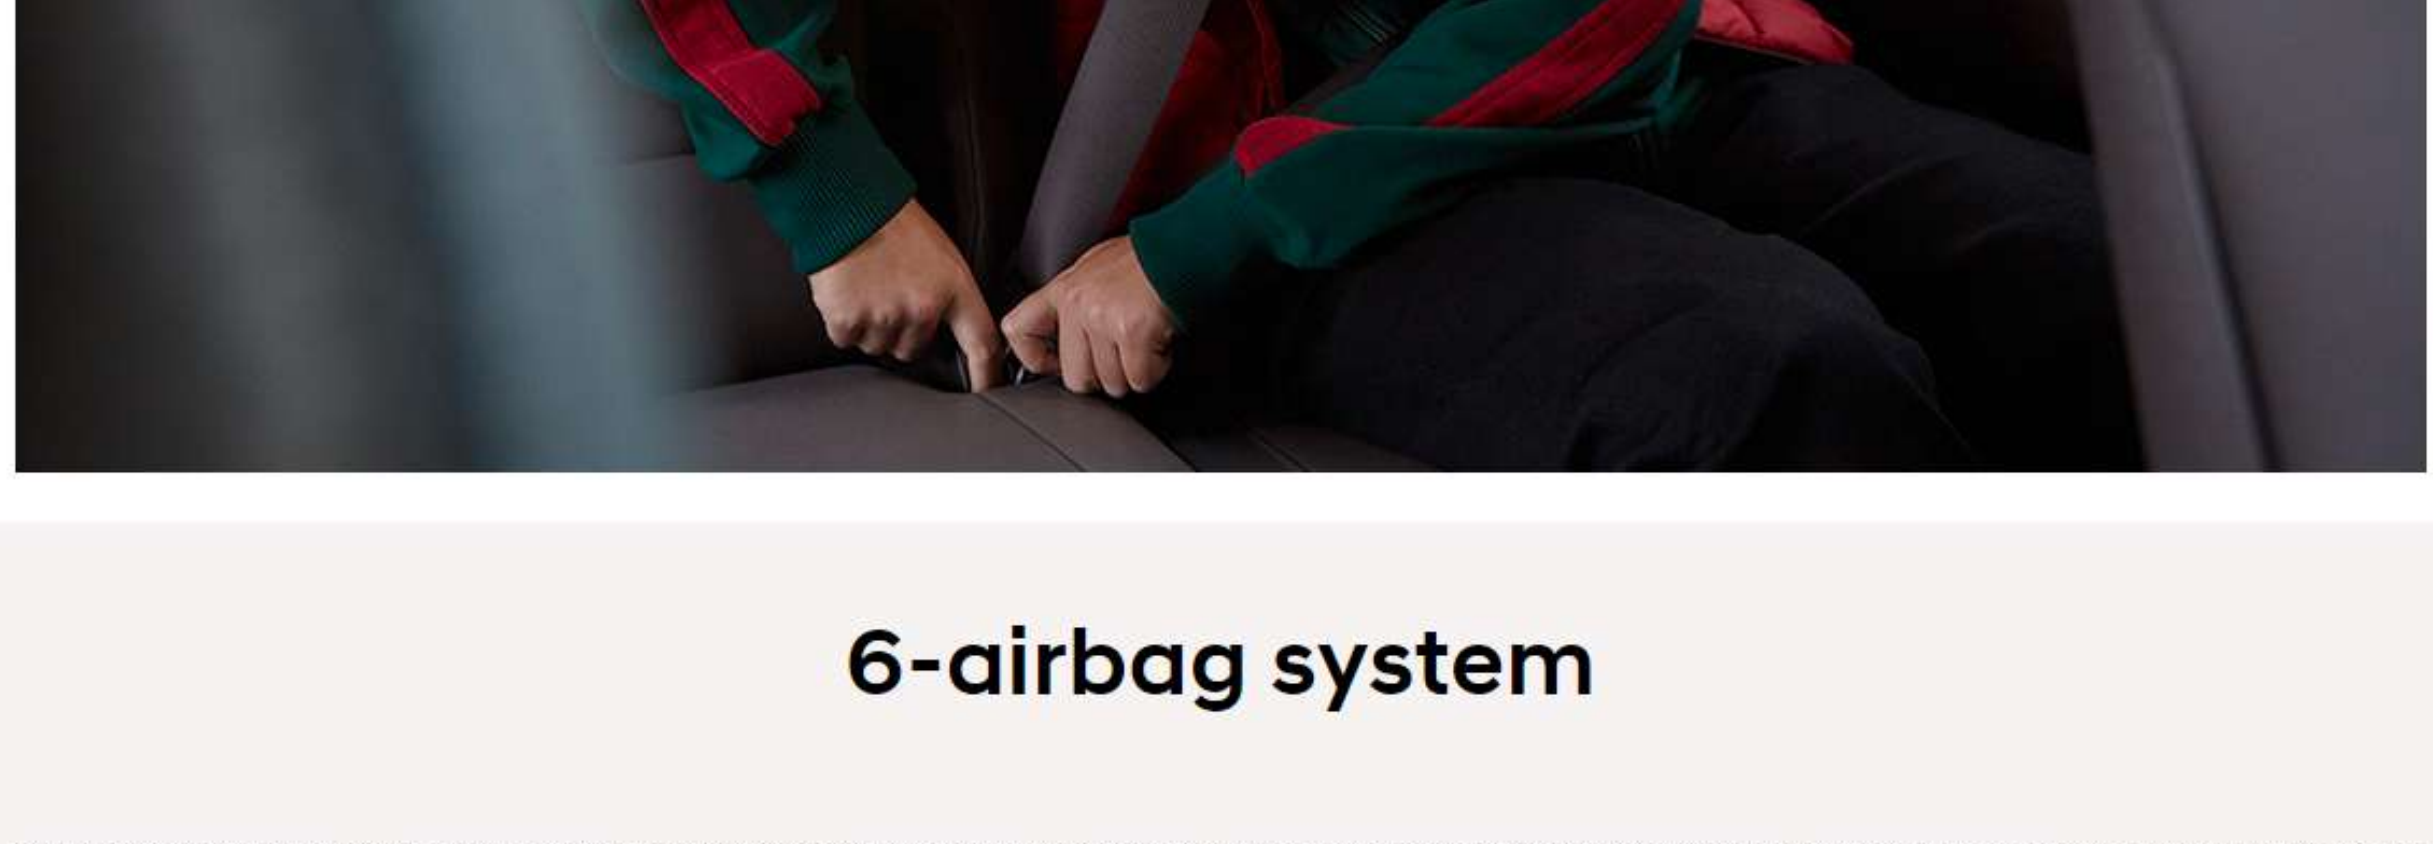
Drive mode

The color of the instrument panel changes according to the driving mode selected (Comfort, ECO or Sport). Comfort mode provides optimized torque transfer for a stable driving, ECO mode prioritizes fuel economy, while Sport mode boost performance to deliver a dynamic drive. Finally, use the Smart mode to automatically switch among the other modes based on road conditions and driving style.



Calm inside,
no matter what's on the outside.

Our Calm Technology includes a number of safety features such as the Rear Occupant Alert, leaving you to focus on what's important.



6-airbag system

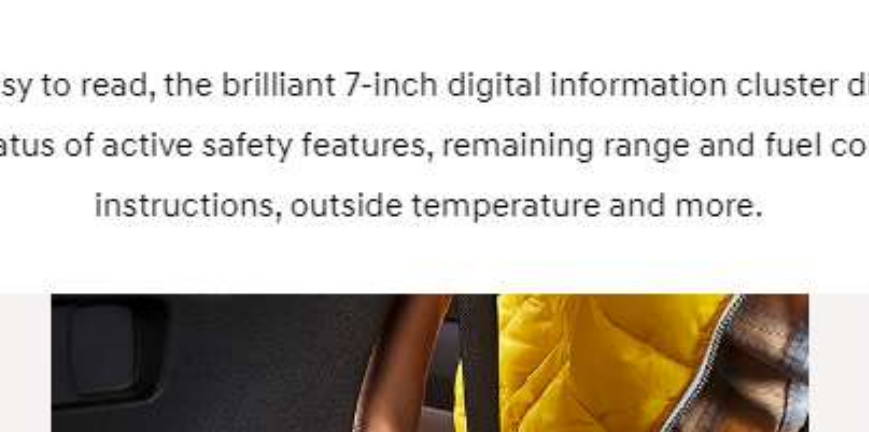
A 6-airbag system with front & side airbags and curtain airbags offers broad collision protection. Advanced frontal airbags determine when and how to deploy pressure in an accident by sensing occupant's position, seat belt use and the severity of the crash.

Virtual cluster

Optimally placed and easy to read, the brilliant 7-inch digital information cluster displays important driver information like: the status of active safety features, remaining range and fuel consumption, navigation instructions, outside temperature and more.

One-Touch Folding

The One-Touch Folding feature allows you to fold the 2nd row seat easily by the push of a button.



Walk-in Handle

Climb into the car easily by gripping the rear seat Walk-in Handle located in the inside of the car.

Smart Tailgate System

Load luggage more easily with the use of the smart tailgate system which automatically opens the trunk within only 3 seconds when standing near its perimeter with the smart key.
